Lizzie Matheson is an award winning designer of floral art and a marvellous raconteur.

Originally from Scotland, Lizzie developed her passion for garden design as well as Floral and Art Design while living in England. She now brings her skills and experience to us from Southern Ontario.

Her experience and accreditation in Floral Design, both academically and practically, is extensive, deep and international. It is full of Prizes, Medals, Awards and accolades from Swindon College (Wiltshire), RHSGb, WAFA, NAFAS, RCFGs, WCGLI, Canada Blooms and the RBG. She is published in Flower Arranger magazine and in the 2002 7th World Show Book – Glasgow, Scotland.

Through the magic of ZOOM, she will be providing not only an educational and entertaining experience, but will also be helping you to fine tune your comments to realistically encourage the growth of our floral designers.

If you plan to attend this JC Zoom Call,
please register by Saturday March 22nd with Elizabeth Schleicher at roses4me@sympatico.ca
to receive the ZOOM Link on Sunday March 23rd.
